A COMMUNITY OF WORLD CLASS SCHOLARS

May 3, 2010

ATS Project Success Team Members,

As the school year winds down I'd like to take the time to express my sincere gratitude for the services you provide to the students at Marcus Garvey Academy. Each family that your company provides tutoring services has made it a point to contact me to express the same.

ATS Project Success has been easy to communicate with no matter the need. Parent inquiries, student progress and contract clarifications were handled smoothly and always in a timely fashion.

Reports on student progress have been thoroughly consistent. The teachers appreciate the information you provide. Progress made while tutoring with your company has made huge impacts on the progress students are making here at Marcus Garvey Academy.

Thank you so much for your hard work and dedication. I look forward to a continued relationship with ATS Project Success.

Respectfully,

Alissa M. [unclear]  
Marcus Garvey Academy  
Dean of Curriculum and Academic Programs
